HOSPICE/HIKE FOR HOSPICE

MONDAY APRIL 24TH

BROCK TOWNSHIP COUNCIL
MEETING

OAK RIDGES HOSPICE
OF DURHAM LTD.

Hike
for Hospice

ABOUT OAK RIDGES HOSPICE

Oak Ridges Hospice first opened our doors in April 2021, celebrating two years open to our community in 2023. Currently, we are the only residential Hospice in Durham Region. Since opening, we have had over 250 residents and their families through our doors.

What do we do?

Oak Ridges Hospice has a specialized care team, comprised of nurses, PSW's, our clinical lead, Director of Care, and Medical Director to provide compassionate and the best end of life care for a resident.

Oak Ridges Hospice allows family to be family again. Often times, family members assume the role of care giver and are unaware of the supports available.

Oak Ridges assists residents and their families to navigate the health care system, link community supports, provides Spiritual & Care Giver supports, and provide so many more options to residents and their families.

Funding Oak Ridges Hospice

Oak Ridges Hospice is funded only 47% by the Ministry of Health, the other 53% comes from donations, grants, and third party event fundraisers. We are so fortunate to receive support from events such as Amazing Race, Port Perry and Hike for Hospice.

"Oak Ridges has been "Heaven on Earth", a place where compassion meets professionalism and superior quality of care. Our family is eternally grateful for the love and compassion we received from every staff member and volunteer. Please accept this one (of many future donations) for taking exceptional care of our beloved mom, grandmother and great-grandmother."

"Your kindness and loving support for our friend and her family during this extremely difficult time was so very helpful. All of their friends knew they were in a loving passionate environment, and it must have given them such comfort. We miss our friend, but thank you."

HIKE for Hospice

SATURDAY JUNE 4TH, 2023
PALMER PARK, PORT PERRY

The Committee:
 Aly Miller
 Ann Burkholder
 Lindsay Healey
 Tish Menzies

In 2022, we raised
over \$100,000 and
had over 200
Participants!

Our Challenge to you:

The Staff at Oak Ridges Hospice & the Hike for Hospice Committee would like to challenge all councillors and the mayor to register as a team, register as an individual, and challenge other township councils (Uxbridge and/or Scugog) to do the same.

Are you up for the task?

See you June 4th!
