**Subject: Sunderland Ringette - Request for Early Ice**

---

Dear Township of Brock Council Members,

I am writing on behalf of the Sunderland Ringette Association (SRA) to request special consideration for early ice to be put in the Sunderland Memorial Arena this Fall. The Sunderland Ringette Association is looking to get our youth on the ice early for the following reasons:

- facilitating sort skates for our U8, U10 and U12 divisions
- host a Come Try Ringette event in hopes of recruiting new members to our association
- giving our players the chance at a couple of practices before the game schedule commences which is anticipated for the first weekend in October.

We are interested in taking early ice for our full ice allocation for the 2023-2024 season which is projected to include 18 hours of ice per week and could start as early as September 13, 2023.

We appreciate your consideration and continued support of Sunderland Ringette Association. If you have any questions or concerns, please don't hesitate to contact me.

Sincerely,

Jennifer Smallwood

President - Sunderland Ringette Association
