Good afternoon,

I hope this email finds you well. I am reaching out today to see if Brock Counsel will consider putting in the ice surfaces earlier than past years.

I know that these requests take some consideration and we appreciate your discussion on this matter. It's been a rough year and our players are excited to hit the ice. Mental health as well as physical health has taken a toll on our athletes. We are all excitedly awaiting "normal".

Is Sunderland fair were to go ahead, we would be willing to take ice hours at one of the other arenas to fulfill your ice hour requirements while we wait for the ice to be put in Sunderland.

Our Athletes have been off the ice, not seeing their friends and teammates and not playing the game they love since December 2020, and can't wait to return.

If you have any further questions or concerns please feel free to contact me.

Thank you for your time.

Amanda Keeler
