To Whom It May Concern,

My name is Bianka Warren, and I am writing on behalf of the Beaverton Agricultural Society to request the free use of the Town Hall Theatre to host the Junior Ambassador Competition for the Beaverton Fair on May 30th.

I am in the midst of revitalizing the Junior Ambassador Program to encourage youths between the ages of 12-16 to take a leadership role in the community while incorporating knowledge of local agriculture, enhancing public speaking and communication skills. The Town Hall Theatre would be a terrific location to host the Ambassador Competition to make it a memorable and special event. The stage would showcase the contestants as they share their speeches and answer an impromptu question by one of the three judges. The program would run from 7:00pm - 8:00pm, offering finger food snacks thereafter to close family and friends who are there to share this wonderful event. A musical performer will be invited to entertain the audience throughout the ceremony. Furthermore, a photographer will be present to take quality pictures of the contestants to create lasting moments of this engagement.

Funding continues to be a challenge as the Beaverton Agricultural Society seeks to provide a wide variety of activities, events, and entertainment, for residents of Beaverton and abroad, at the Beaverton Fall Fair. Your consideration to assist the organization in hosting a memorable event at the Beaverton Town Hall would be greatly appreciated and acknowledged. The Junior Ambassador program will reignite leadership in our community, inspiring youths to make a positive difference in their journey towards a successful future.

I appreciate your time, thank you.
