Dear Ms. Hunt

Re: Annual Lioness Lions Duck Race – 2024

In accordance with the Lottery Licensing Policy of the Ministry of Consumer and Commercial Relations, we again are requesting approval for our Club's annual Rubber Duck Race, particulars of the event are as follows:

DATE: Sunday May 26, 2024

TIME: 1:00 p.m. - start time

PLACE: Beaver River, Cannington

Race will start from the bridge located on Laidlaw Street North
Finish line to be in Barkey Subdivision Park

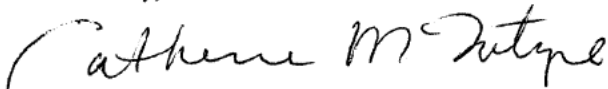

PROCEEDS: Youth programs for the Community of Brock

We have 500 plastic ducks which will be dumped into the river to be carried by the river current. At a designated finish line, winners will be determined. The ducks will then be retrieved from the water and dried for storage. During past

years, we have been successful in retrieving all ducks from the water and no problems have been encountered with the spectators or traffic. We do not anticipate problems with this upcoming event.

We would appreciate your reply as soon as possible in order that we can make an application for a Lottery License for this event. Replies can be forwarded to the email address below.

Sincerely,

Lioness Lions Catherine McIntyre
Secretary of Cannington Lioness Lions Club
