Sunderland Maple Syrup Festival 2023

To Whom This May Concern:

Firstly, I apologize for an oversight on my part. Upon hearing that the Ringette team was not using the concession stand, it was offered to the Masonic Lodge to sell "king coins" and Sausage on a bun. If it is possible would King Edward Masonic Lodge be able to use the facilities in the arena for this purpose? The barbeque in question is only for their food prep. The sausages would be cooked in this manner and sold at the counter inside the arena.

Thank you very much for your support of our great festival.

Sincerely,
Christopher Hocher
