Cannington Lions Club 2024 Canada Day Festival

November 13, 2023

Township of Brock
1 Cameron Street East
Cannington ON
L0E 1E0

Your Worship and Council,

Hoping to build upon the great success of last year's Canada Day celebrations in MacCleod Park in Cannington, the Cannington Lions have begun preparations for our 17th version of the event.

Over the years we have generated a following from all across Brock, Durham Region, and Kawartha Lakes, and it just keeps growing.

We are grateful for the the past support supplied by Brock Township in our efforts, and hope it can continue.

Once again our Club is respectfully requesting permission for exclusive use of MacLeod Park on June 30, July 1, and July 2 to facilitate the preparations, operations and closing down the event.

We will forward the usual Certificate of Insurance and other required documents for the event. The alcohol licensing of our beer tent will be supplied separately.

As always, should you have any questions, please contact the undersigned.

Thank you for your consideration.

Best regards,

Michael Jones
Chair, Lions Canada Day Committee
