Re:Special Occasion Permit for Sunderland Memorial Arena

Dear Council,

The Sunderland Lions Club will be organizing another Car draw this year happening on the 8th of June 2024 in the Sunderland Memorial Arena.

We are requesting that Council grant an exemption to the Townships Municipal Alcohol Policy to permit the sale of Alcohol based refreshments to attendees during the drawing of the numbers. As we have in the past we will set up on the South East side of the Arena surface. The dispensing will be taken care of by Smart Serve trained Lions Club Members. Also a Special Occasion Permit (SOP) will be obtained from the Liquor License Board of Ontario.

We would ask that this be added to the next Committee or Council meeting Agenda so that we can proceed with our planning and promotion of the event. If there is any questions regarding this request, Please contact the undersigned.

Sincerely,

Tony Laundrie

Chair of the Sunderland Lions Car Draw Committee
