

April 23rd/2024

Attn: Brock Township

The Nourish and Develop Foundation (TNDF) is seeking approval from Council to operate a monthly Night Market, operating during the last Tuesday of every month, starting in May, and concluding in September. These dates include:

May 28th

June 25th

July 30th

August 27th

September 24th

Night Market events will run from 5pm to 7pm, taking place in the parking lot located by the side of our office building at 16 York St, Cannington. We will be offering hot take-away meals for purchase and there will be a few vendors selected to participate, selling various homemade goods. We will also be hosting community partners who are looking for outreach opportunities to various members of the community.

We are seeking support from the Township in enacting a road closure between the hours of 4pm and 7:30pm, on the dates listed above. We are seeking to close York St. from Cameron St. E to the end of our parking lot (16 York St.) This would allow us more space for local vendors and community partners. We would require barricades from the township. In the coming days can provide an updated Certificate of Insurance specifically for Night Market events.

Alternatively, shall we not be approved for the above-mentioned road closure, we are seeking to operate the event as we have in past years by placing a barrier at the end of our parking lot and keeping the event contained to the space allotted in our parking lot.

Please let me know if there are any questions or concerns, otherwise I look forward to your reply.

Kindly,

Tiffany Clarke
