

Town of Sunderland - Speed Limit Change Request:

Blackwater Road is a quiet, narrow, and tree lined residential road servicing single family houses on both sides of the road. These houses are home to a number of young families with children, who due to the lack of sidewalks, use the road to go to neighbouring houses.

Currently, the speed limit is 50 KPH road that is only 700 metres long. We, the undersigned residents of Blackwater Road, request that the speed limit be reduced to 30 KPH, and that this limit be clearly posted.
