

The Lions Club of Beaverton
(Incorporated under the Laws of Ontario on August 18, 1954)

Kwey Kwey / Aaniin / Hello,

We are once again holding our annual Elimination Draw for 2024, which as you know, is the major fundraiser for all the projects we support and undertake in the community. We are writing to request a "Municipal Resolution" letter for a Special Occasions Permit (SOP) we are applying for on behalf of the Lions Club of Beaverton. A letter of Municipal Significance endorsing the Lions Club of Beaverton's Elimination Draw is required to get approval for the SOP.

Like previous years, we will be having an in-person draw with a dance, live music, food, and a bar (inside) being held at the Foster Hewitt Memorial Community Centre located in Beaverton. It will be taking place on Saturday, September 21st, 2024, from 7:00pm-1:00am.

Please let me know if you have any questions or concerns and I will get back to you as soon as possible to get the application to the Alcohol and Gaming Commission of Ontario (AGCO) submitted in a timely manner.

Miigwetch (Thank You),

Ron Hodgson (inini/he/him)
