Subject: Street light

Hey Mike.

I like to make a request to the town for a street light. At the corner of Mara and Butcher. Making that turn onto butcher at night can be dangerous.

Last night at 11pm I was coming home and almost hit a kid riding there ATV on the wrong side of the road. It's so dark and they don't have lights or driving experience. If I didn't slam on the brakes and swerve to the curb I would of hit him.

So before someone gets hurt is there any way to make this request happen. A street light at the corner of Mara and Butcher

Thank you
