Councillor Jubb,

Great to see you at AMO.

Resending the rideshare motion. It would be great if the Township of Brock could support it. Your clerk may have put it on a previous agenda as an FYI.

If you pass the motion please send e a quick note so I can ensure it gets shared with my client and relevant staff at the province.

All the Best,

Brian

No worries Mike,

We had a great conversation and Walter brought me up to speed on the Durham Transit On Demand challenges.

Walter, here is an article on a solution that Wellington County is piloting:

Walter, I attached the briefing note and draft motion here as well. Your Clerk may have it in their files as well as it was shared with all municipalities when the first one was passed in March.

Please let us know how else we can be of help.

We can definitely touch base at AMO as well.

Keep in touch and thanks for your time.

Brian
