Cannington, Ont.

To whom it may concern,

The Cannington Lions Club would like to thank the Town for the presentation of their plans for MacLeod Park. We had several members of the Club attend the Open House at the Town on Oct. 24th. The Cannington Lions are pleased and fully support the Town going ahead with their plans for the park. We are excited by some of the new features being suggested. We realize this is a long term commitment and fully appreciate the Town's commitment to the improvement of MacLeod Park in Cannington.

Sincerely,

Bo Enss

Secretary
