Subject: Rental rates for use of the Upper Room of the Rick MacLeish Memorial Community Centre

Members of Brock Township Council,

On behalf of Durham Farm & Rural Family Resources, we truly appreciate your support of our EarlyON programs that we have been fortunate to operate for almost 30 years at the Community Centre & are grateful for the rate reduction that we have received.

After discussions with Councillor Fernando Lamanna & Director Wayne Ward who brought forth some of the realities of the cost of managing the Parks & Recreation in Brock, we would like to propose that we increase our hourly rental of the Upper Room of the Cannington Community Center to \$10.00 / hr. This represents an increase of 250% over our current rate of \$4/hr. As DFRFR's fiscal year starts on April 1 - we would like to propose this increase be effective April 1, 2025. See the attached document for a more detailed breakdown.

In order to assist both the Township & Durham Farm & Rural Family Resources (DFRFR) with our respective budgets moving forward, would it be reasonable to enter into an agreement for the next 3 calendar years at this proposed rate of \$10.00 / hr?

We thank you again for your continued support of our programs that are an important part of the fabric of our community - in particular for young families in the area.

Best regards,

Heather & Karen
