Good Evening Fernando,

Thank you for your email and I am happy to submit a request in writing. Please let me know if this is sufficient enough for your next Council meeting.

Hello All, my name is Justin Jarvis and I have purchased Mitchell's Fish Huts from Brad Garringer and am now the rightful owner. With this I wish to use the same access as he has in past years. I am writing to request continuance of the Fish Hut Lease on the north shore beach and use of the harbour for the 2025 Ice Hut Season. I have submitted my business insurance to the township of Brock in anticipation of being granted the lease. We would like to keep 4 minnow cribs in the exact location that Mr. Garringer has placed them in previous years. Please let me know if you need any further information from myself and I will be happy to provide it. Lastly, I intend to respect and follow township rules and regulations in regards to the operation and use of your land.

Thank you in advance

Justin Jarvis
