---

Hi

The following note is my concern with regards to YIELD signs and changing them to STOP signs.

The people of Windor Court would like to see a STOP sign at the top of Riverlea turning left onto Meadowlands.

I have my turn signal on to turn left (traveling east on Meadowlands) into Windor Court and the vehicle with the yield sign continues to turn in front of me. This is just not me but others that reside in the court as well. This happens frequently and it is just a matter of time before we collide.

Now that the medical centre is about to open there may be more traffic on Ann street N. The yield sign on Allan should perhaps be changed to a STOP sign.

I ask that this be presented at the next council meeting. Thank you for your attention to this matter.

Barb Moore
