Members of Council,

RE: Support for Brock Minor Hockey Association – September Ice Access

As Chair of the Victoria Durham Minor Hockey League (VDHL), I support the request from the Brock Minor Hockey Association (BMHA) for earlier ice installation in Beaverton and Sunderland arenas.

The VDMHL season begins September 29, and all member centres—except Brock—will have ice available by the week following Labour Day. Having one centre with drastically different ice availability creates real challenges for the League in starting the season on time and ensuring fairness across all teams.

I respectfully urge Council to give this request full consideration.

Sincerely,
