Ok, I'll forward to clerks to put on an upcoming agenda.

Maralee or Deena, could the communication below please be added to the next appropriate agenda?

Thank you so much!

Hi Claire,

This should come to us through a request to place on the agenda. Council may want to speak on it or at least they will ask for a report.

Thanks,

Hi Robert,

Thank you for your email! I will forward this to staff for consideration. I do understand this concern and I believe there is some merit to considering this option.

Have a good Canada Day!

Subject: To continue a one way street in Beaverton

Good morning Claire,

Has there been a previous consideration, to extend North St, north of Simcoe a one way street. It is a very narrow street, with a dangerous curve at the north end, before turning East. Two cars can not meet and pass safely. I have had a few close calls. Maybe a balance if considered would be to make York St. north between North Street and Simcoe Street a one way street heading south, to balance the traffic. we live at 462 Simcoe Street, the north/east corner of York and Simcoe, and thank you for supporting our community. Regards, Christine and Bob
