Hello,

I am reaching out to request a proclamation from Mayor Grant.

September is Big Brothers Big Sisters month (for all member agencies) and our National office uses September 18th as Big Brothers Big Sisters Day. We also have a milestone anniversary at our agency on September 25th when we will celebrate 45 years of supporting North Durham.

We are asking Mayor Grant to proclaim September Big Brothers Big Sisters month in Brock. Mayor Drew will be making a proclamation in Scugog Township.

Thank you!
