To whom this may concern: Requesting access to Lake Simcoe shoreline from Brock Townships roads

At this time, I represent a property owner in Thorah Park Blvd, (See below) whom have requested me to place large rock on their shoreline in an effort to prevent further erosion. Due to the extremely steep banks of the property, working off the ice in the winter seems to be the only way and hence I need road access to the shoreline. All permits will be in place.

Jeannie Haller

24380 Thorah Park Blvd.

Brock, ON L0K 1A0

There are 3 accesses, the end of the 2nd Con'c, the end of Durham Rd 23, and the Thorah Park Rd. Durham Rd 23 would be the preferred choice due to winter conditions, although if complications arise the others may be alternatives. Liability Insurance provided.

Thank you for your consideration
