

Tony Laundrie

In 1990 my wife, Josie, and I moved to Brock Twp. to raise our two sons Steven and Zachary. We settled in Sunderland where we have lived for the past 35 years. I commuted to General Motors until I retired in 2010. In 2007, when I was laid off for two weeks, which was rotated between all three shifts, I asked George Pilgrim if he needed help at the Hardware store. I started working part time during this layoff and then after I retired from GM. I have now been working there for eighteen years in total.

In 1998 I joined the Brock Fire Department at the Sunderland Station. Shortly after I was chosen by my peers to be the Health and Safety Representative for the Hall in 2000. When Chief Rick Harrison joined the Brock Fire Department, he asked me if I would be the representative for all Brock Fire departments. Which I did till I retired from the Fire Dept. in 2016.

I joined the Sunderland Lions Club in October 2015 and entered the Executive Committee the following year. I went through the executive becoming the President of the club in 2022 for one year. In 2019 I was asked to be the Sunderland Lions Music Festival Chair which I did until the end of the 2025 Festival. In 2024 I became the Sunderland Lions Elimination Draw Chair, which I am still performing at this time, with help from the Elimination Draw committee.

In 2022 I joined the Sunderland Legion, as they are a good organization that is grateful for any help. In 2025 I was asked to become a member of the Executive and am now a Director of the Legion Executive for Sunderland Branch.

In 2014 I was on the Brock Economic Development Advisory Committee as well as the Sunderland Townhall Committee for 4 years.

In 2018 I joined the Brock Accessibility Advisory Committee, which I am still on and am the Chair of this committee.

I was instrumental in getting the Sunderland Fall Fair Car Show started and with help from other volunteers, I ran it for the first five years.

I have ran in the last three Municipal Elections for Ward 5 Councillor, unfortunately I was not elected in, however I believe I can work together with the current Councillors for the betterment of Brock Township.

Thank you for this opportunity. Should I get the appointment I look forward to working with everyone involved.
