**ATTN: Brock Township**

The Nourish and Develop Foundation (TNDF) is seeking approval from Council to continue operating our Mobile Food Market (MFM) at Manilla Hall in 2026.

As MFM aims to be a reliable, accessible, and affordable source of local produce year-round, securing both indoor and outdoor spaces is essential to maintaining consistent service for the community. To support this, we are requesting approval to operate indoors from November to April and outdoors from April to November.

Our proposed schedule would see us at Manilla Hall **bi-weekly**, from 11:30 a.m. to 12:30 p.m. We are currently operating at the Hall on Wednesdays and have attached a projected list of all 2026 dates.

We would appreciate clarification on whether this arrangement is possible, pending any necessary rental agreements with the Township's bookings department.

TNDF operates the MFM under approval from Durham Health and carries \$5,000,000 in liability insurance, documentation for which we are happy to provide.

Ideally, we would request the use of the Hall at no cost to help sustain the Market's accessibility and affordability. Please don't hesitate to reach out with any questions or concerns. I look forward to continuing our partnership in supporting food access across Brock Township.

Warm regards,  
*Tiffany*
