Staff Report to the Members of Council

From: Ben Kester, CET, CRS-s

Position: Interim Director of Public Works

Title / Subject: New Tandem Truck, Plow and Wing

Date of Meeting: January 12, 2026

Report No: 2026-OP-001

1.0 Issue / Origin

In the 2026 Budget the purchase of a tandem truck, plow, and wing was approved and staff sought pricing through LAS-Canoe procurement.

2.0 Background

This new truck will replace an existing tandem truck that will be approximately 15 years old when the new truck is delivered. Public Works currently has 10 plow trucks (and no spare).

3.0 Analysis

The truck price was secured through LAS Canoe and the price is \$489,932.68 plus net non-refundable HST (\$8,622.82) for a total of \$498,555.50.

4.0 Related Policies / Procedures

Procurement bylaw

5.0 Financial / Budget Assessment

The total price, including non-refundable tax is approximately \$498,556 and the approved budget for 2026 is \$508,000. This represents an increase of 3.1% from the last tandem that was procured in 2025 (\$483,781.10). Any funds not utilized will stay within the capital fleet reserve.

5.1 Asset Management

Fleet replacement in a timely manner.

6.0 Climate Change Impacts

N/A

7.0 Communications

No communications are planned.

8.0 Conclusion

The new tandem truck plow and wing needs to be ordered to keep the Public Works fleet as reliable as possible. Staff anticipate receiving the truck in 18 – 24 months.

9.0 Recommendation

Be It resolved That Report No. 2025-OP-001 entitled “New Tandem Truck, Plow and Wing,” be received; and

That Council approve ordering a new tandem truck, plow and wing from Winslow Gerolamy Motors for a price of \$498,555.50 (including non-refundable tax) through LAS Canoe procurement.
