Hello...we live on concession rd 4 (thorah)..east of hwy 12..(beaverton,ont) ..this is enough now!...we desperately need a left turn lane to get onto our rd from the north.....it is extremely dangerous ...sooo many times are near misses on being hit from behind...dosnt matter how early we signal or tap our breaks.....please do something...I can get a petition signed from the all the residents if needed.....thanks from 1610 conc rd 4 .pat holtrust....
