Subject: Ethel park post kiosk

As a resident of Ethel park, I'm appalled at the condition of our postal kiosk. It is filthy and the lighting has been faulty for over 2 years now. We have literally no lights left to illuminate the area and it's a safety concern. We as residents have placed our own recycling box and garage can to encourage cleanliness and we place them curbside every Friday. The plexiglass is absolutely filthy and this is unacceptable. We deserve better than this .. especially during a time when cleanliness is of utmost importance. Canada post should be ashamed of the condition of this kiosk. Brock township deserves better and we would appreciate this being addressed. Some other local residents have reached out and got no reply from Ottawas Canada post head office. Please let's hold them accountable for this disgrace.

Gloria Vieveen.. on behalf of the residents of Ethel park in Beaverton.
