Subject: Road allowance inquiry

Good Afternoon Fernando,

Thank you for taking my call this afternoon. My husband and I wanted to see if the road allowance right beside us on the south side was maybe an option to purchase. Our address is [REDACTED] L0K1A0. Purchasing this little piece would allow that side of our yard to not be a pie shape and extend our driveway. If you could please let us know if this would even be an option we would greatly appreciate it.
