Dear Mike;

RE: Thorah Island Funding for Road Maintenance

We would like to thank you and the Township of Brock for your continued support towards road maintenance on Thorah Island. We continue to target road maintenance works approximately every 3 years by leveraging the funding provided by the Township of Brock.

We would like to request continued funding for 2022 in the amount of \$15,000. Together with funding reserves from the last two years, this would provide a total of \$45,000 in 2022. We will use this funding to try and secure a contractor for 2022 road maintenance following our planned 3-year cycle.

Should you have any questions or concerns, please do not hesitate to contact any of the undersigned.

Regards,

Mark-André Simard
President
Thorah Island Ratepayers Association
