Subject: Re: Chickens

Hello,

I am writing again as I was advised by Mike Jubb to ask that you bring up a motion for the subject of chickens at your next meeting for the urban area in Beaverton.

Thanks  
Joelle

At the present time I do know they are not permitted, therefore is there a possibility of visiting such an idea? I currently live on a big property situated on Centre st and would love to have a few laying hens.
