

Beaverton Town Hall Players  
Rental Agreement Request for the Beaverton Town Hall

The Beaverton Town Hall Players has put in a considerable amount of time, money and maintenance to the theatre and continues to do so. BTHP is not in a position to incur further costs; otherwise it would be difficult to continue to serve the community as we have for over 35 years.

BTHP was greatly impacted by the loss of our theatre for productions over the last two years.

For the past 35 years BTHP has provided great entertainment for Brock Township and beyond and with that in mind, has always received reduced rent for performance nights, plus free use of the auditorium and meeting room for auditions, rehearsals and cast parties. BTHP has also had free use of the auditorium for sound/lighting checks, technical seminars and production meetings.

With that in mind, in addition to the above, we are asking for special dispensation for our opening date, Saturday May 14/22, of the upcoming season. We are asking that the auditorium be provided to us, free of charge for that one night.

If possible, could representatives from BTHP have a short time to put forward this proposal and answer any questions council may have at the next meeting?

Thank you for your kind consideration to this matter, as we continue to serve Brock Township.

Pat Rose  
(President of BTHP)
