

April 4th/2022

Attn: Brock Township

The Nourish and Develop Foundation (TNDF) is seeking approval from Council to operate a monthly Night Market, operating during the last Tuesday of every month, starting in May, and concluding in September. These dates include:

May 31st**June 28th****July 26th****August 30th****September 27th**

Night Markets will run from 4pm to 7pm, taking place in the parking lot located by the side of our office building at 16 York St, Cannington. We will be offering hot take-away meals for purchase and there will be a limited number of vendors selected to participate, selling various homemade goods. We are not requesting additional support from the Township and are currently not seeking to use Township property.

TNDF already has \$2 million liability insurance covering the Township of Brock. Certificate can be provided upon request, although a copy should already be on file for our Mobile Food Market. We have contacted Durham Health for permission as well, and their approval is pending Township approval.

Please let me know if there are any questions or concerns, otherwise I look forward to your reply.

Kindly,

Tiffany Clarke
