To Whom it may concern

Brock Township is rich in agriculture and youth programs. The Beaverton Barrel Racing Club (BBRC) includes both of these. Our club is a non-profit that has been running for more than ten years and encourages fun, horsemanship and is family friendly. Most of our members are youth ages 5 through 16 but most certainly not limited to. We have children requiring an adult on a lead line to grandparents. We do encourage and look for community support through prizes and sponsorship. We are asking the town for use of the Beaverton fairgrounds sand ring for the dates of May 22, June 19, July 17, August 21, and September 5 2022. The members usually arrive around 9 am and leave the property by 3 pm. The BBRC has insurance in place and each member has their own private insurance as required by the club. We ask for the use of the hydro for our timers and announcing system as well as trash cans be present. We will and always have left the facility as clean as we found it. We thank you for your consideration and hope to continue our long running program with the help of you the town.
