

Township of Brock Interoffice Memorandum

To: Mayor and Member of Council
From: Ingrid Svelnis, CAO
Subject: Central Counties Tourism Grant Agreement
Date: Thursday, July 14, 2022

The Township of Brock has applied for a grant from the Tourism Relief Fund through Central Counties Tourism. The grant application window was short, leaving no time to seek approval from Council. Although no formal announcements have been made, it is hopefully that the application will be successful. This funding will be utilized towards several Township of Brock Tourism initiatives.

The Township is seeking the approval of Council to enter into an agreement with Central Counties Tourism by passing the following resolution should the grant be awarded.

BE IT RESOLVED THAT Report 2022-TED-011, Central Counties Tourism Grant Agreement be received; and

THAT the Corporation of the Township of Brock enter into an Ultimate Recipient Agreement with Central Counties Tourism, acting as administrators of the Tourism Relief Fund on behalf of the Government of Canada through FedDev Ontario.

End of Memorandum

Respectfully submitted,

Ingrid Svelnis
CAO
