Re: Exemptions to Alcohol Policy 2023

Dear Council members,

The Sunderland Lions Club will be organizing four events during 2023 where sale of alcohol based refreshments is planned to be sold to guests and attendees. These events are important parts of our fundraising and community service activities and the enjoyment of these refreshments is a vital success factor.

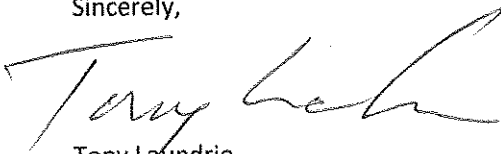

For that reason we are requesting that Council grant exemptions to the Township's Municipal Alcohol Policy during the following planned events:

- Blue Rodeo Shows, Sunderland Memorial Arena, May 26 & 27
- Car draw, Sunderland Memorial Arena, June 10
- Summer Fest, Volleyball Court (side of the Grand Stand), June 23-24
- Opry Night, Sunderland Town Hall, October 14

As in previous years, the ticket sale and the dispensing areas will be separated. The dispensing area will be staffed by our Smart Serve trained Lions Club members. Also, a Special Occasion Permits (SOP) will be obtained from the Liquor Licence Board of Ontario.

We would ask that you place this matter on an upcoming Committee or Council agenda so that planning and promotion of the concerts can proceed. If you have any questions regarding this request, please contact the undersigned.

Sincerely,

Tony Laundrie  
President
