

FIRE2023DEPARTMENTBUDGET

FIRE DEPARTMENT Mandate

- Keep our community and residents safe through the guidance of the three lines of defence.
- Education: fire safety education to mitigate the fire & life hazards before they start.
- Inspection & Enforcement: if the public education program does not prove effective, then the next step is for the fire department to enforce fire safety requirements through inspections leading to possible charges under the Act.
- Emergency Response: if the first two lines of defence fails for whatever reason, the community, through its fire department, should be prepared to respond in an efficient & effective manner to extinguish the fire and/or mitigate the emergency.

FIRE DEPARTMENT Role and Responsibilities

- The Fire Chief/Community Emergency Management Coordinator is responsible for the operation of the fire department & the administration of the Township Emergency Plan.
- Administration Division: Comprised of the Fire Chief & Fire Prevention Inspector, responsible for the basic administrative & operational requirements of the fire department.
- Fire Prevention/Public Education Division: The Fire Prevention Inspector is responsible for the operation of the fire prevention division consisting of public education, annual inspections, compliance & fire code enforcement.
- Training Division: Part-time Chief Training Officer is responsible for the implementation of the annual firefighting training program in consultation with the Fire Chief.
- Fire Suppression/Emergency Response Division: The Fire Chief & Station District Chiefs are responsible for the day-to-day operation of the fire stations, operations of fire suppression activity & emergency responses.

FIRE DEPARTMENT 2022 Achievements
