Township of Brock Interoffice Memorandum

To: Mayor and Member of Council
From: Paul Lagrandeur, Director of Public Works
Subject: Maple Beach Road – Streetlight Request
Date: Thursday, May 11, 2023

During the December 5, 2022, Council meeting, staff were requested to investigate the possibility of installing streetlights between B25895 Maple Beach Road and Concession 3 (Thorah).

Staff proceed to obtain a layout from Hydro One and a quotation from our Contractor for the installation of the lights as per the layout provided. The cost of the installation was estimated to be \$3,800.00.

In accordance with the Municipal Streetlighting Policy, letter was sent to sixteen (16) property owners who are located within a 200-foot radius of the proposed new streetlights. The letter of March 21, 2023, requested property owners to confirm they would accept their \$237.50 share of the streetlight installation. To date, we received eleven (11) responses. Of these, only four (4) residents agreed to pay their share of the capital costs. Seven (7) residents were not agreeable to paying their share and five (5) residents did not respond to the request.

As a result of the above noted information and in accordance with our streetlighting policy, the installation of the new lights will not proceed.

End of Memorandum

Respectfully submitted,

A rectangular box containing a handwritten signature in black ink, which appears to read "Paul Lagrandeur".

Paul Lagrandeur
